DIRECTIVE TO GAMING HOUSE OPERATORS

This **DIRECTIVE** is issued by the Gaming Board for The Bahamas (“the Board”), pursuant to its authority under the Gaming Act, 2014 (“the Act”), to strongly reiterate the Board’s position regarding **BVC Holdings Ltd. t/a Bet Vegas (“Bet Vegas”)** and the attending obligations that Gaming House Operators have in respect of any request for the transfer of a Gaming House Agent location.

WHEREAS the Board is aware that former Gaming House Agents of Bet Vegas are still conducting sales on its behalf despite the fact that Bet Vegas is not a licensee of the Board and is not authorized to carry out such activities.

AND WHEREAS the Board has observed that requests for transfers are being submitted by different Gaming House Operators not only for the same locations, but for locations that are currently conducting sales on behalf of Bet Vegas in contravention of the Act.

THE BOARD HEREBY DIRECTS all Gaming House Operators to ensure that no proposed new Gaming House Agent that they are seeking to transfer their business to is actively conducting sales on behalf of another Gaming House Operator. Pursuant to Section 46(1) of the Act, a Gaming House Agent Licence relates only to the premises in respect of which it is issued.

THE BOARD HEREBY FURTHER DIRECTS all Gaming House Operators to ensure that no proposed new Gaming House Agent that they are seeking to transfer their business to is conducting sales on behalf of Bet Vegas.

Failure to comply with this Directive may result in penalties up to and including revocation of your Gaming House Operator Licence.
